

# Shifting Your Own Consciousness Will Shift Your Business to an All Time High

Most of us have all been introduced to the Law of Attraction or as the movie called it *The Secret*. It really has never been a secret other than maybe the name of the **Universal Law** itself. Entrepreneurs have always lived this way and applied this Law to their businesses, just without the label. The **Law of Attraction** is one of **twelve laws** that when we understand even just two of them, we are on the road to **success**.

**Anne Angelheart** has assisted many people in manifesting success at being their true self which in turn reflects out into their business. Your business IS a reflection of who you are, your core self, not what is portrayed outwardly or emanated by habit!

**Anne Angelheart**, Personal and Business Coach, founder of Live In Spirit, integrates her more than 22 years of business experience and intuitive skills to help individuals achieve ultimate clarity in order to unlock their true potential within and provides advice and action techniques, to create and build a successful team and/or services for businesses worldwide.
